A Few things to consider when preparing for your move

- We encourage you to pack a bag with your necessities, snacks and water
- We ask our customers to be sure that all walkways, pathways, and driveways are clear of snow and ice
- Please be sure all boxes and bins are packed with lids that fit or are taped shut
- We ask that you make arrangements for children and pets to be cared for on move day
- Make sure floors are free of debris and clutter
- We recommend loading any valuables or important paperwork such as jewelry, passports and laptops into your car in advance
- We cannot load any items into our truck that are wet or snowy. Please be sure all patio and/or outdoor items are dry before your move
- Be aware of the exclusion list, we cannot haul any liquids or gases
